I have lived in Chatham County since 1979 and thought i knew our county well. Boy did Leadership Chatham prove me wrong. To my surprise, I learned something new about Chatham County each and every session. I have knowledge and insight that could only be gained in a program like this. The relationships and friendships that were built and strengthened along the way were an added bonus. The benefits from my Leadership Chatham journey are immeasurable. I will always cherish the experience and memories. I highly recommend it to everyone.

Leadership Chatham is an awesome program! I enjoyed getting to know all the people in my class, have made friendships and learned more about the county I grew up in! I love calling Chatham County home!

Sherry Allen, Broker/Realtor, Realty World Chatham Properties

Leadership Chatham helped me learn more about our fascinating county. Thanks to Cindy, the rest of the organizers, and all the different presenters, I was able to make meaningful connections to the community. As a new person to the Triad, this was invaluable. I was surprised and excited to hear local people in the program also say things like, "Wow, I never knew this was in my county!"
